

SAFETY PATROL "WILD-CAT" COMMUNITY SERVICE PROJECT

The safety patrol's community service project will be benefitting The Labor of Love Animal Rescue. The Labor of Love Animal Rescue is an all-volunteer organization working to rescue stray cats and dogs and find them forever homes. Their goal is to stop euthanasia as a population control. They also educate the public on the importance of spay/neuter and regular vet checkups for pets. Currently, they are in desperate need of cat food for the upcoming kitten season.

Beginning March 3rd, any student that brings in 10 cans of cat food for the animal rescue will earn a safety patrol mini-badge. Since most cans of food average about \$1, each \$1 will also count as a can. Your parents or guardians may also hold a cat food drive at their place of work. Turn in your pledge sheet with at least 10 cans of cat food and you'll be entered for the daily news show prize drawing. Any student that brings in **200 cans** or more of cat food will automatically be able to attend the **WATER SLIDE PATROL CELEBRATION & COOKOUT** at the end of the year. **All cans/\$'s will need to be brought in by Thursday, March 13th.** Please attach this form to your cans of cat food/\$ amount. Checks can be made payable to: Labor of Love Animal Rescue.
