

WCES Science Make & Take Night

WCES will hold its annual Make & Take Science Night on Tuesday, February 10th, from 6:00 – 7:30pm. This year we will be taking pre-orders for science board labels and titles. The labels will consist of all of the “suggested” labels in the student books that were sent home. **All preorder forms are due by Feb 6th.** You may choose the label style below and fill out the slip. We will have some die cuts and paper for your child to choose from as well as boards at Make & Take. **Please be sure that titles listed are short and catchy and that the color for title letters is listed.** We hope you enjoy this evening with your child.

Student's Name _____
Parent's Name _____
Teacher's Name _____
Title Wanted/Color (please print) _____

Choose a label style below (circle your choice/ labels must be ordered in advance):
